Solo releases...**Porch Songs**...favourite album of the year!...exceptional talent up there with Nanci Griffith and Shawn Colvin (Froots)...

Cathryn Craig...great album...very much the real deal (Froots)...
Pigg River Symphony...Roots Music at its most personal and involving (HMV Choice).

Brian Willoughby began his career with **Mary Hopkin** and played with **Strawbs** for 25 years. He recorded with **Monty Python** and toured with **Joe Brown, Roger Whittaker, Jim Diamond** and **Sweet's Brian Connolly**. **Strawbs** offshoots **High Society** and gold award-winning **The Monks** featured **Brian** on lead guitar. Solo CDs...**Black & White**...Simply very good contemporary songwriting (Froots)...**Fingers Crossed**...impeccably crafted album moves seamlessly through just about the whole gamut of styles...lavishly-documented tuning details will delight many a picker (Guitarist).

Both **Cathryn** and **Brian** have worked with **Nanci Griffith**.

Craig & Willoughby releases... **I Will**...sublime guitar work together with one of the finest voices around and you are on to a winner (Folking.com)...**Calling All Angels**...traditional songs with delicately crafted originals by assured performers with formidable story-telling abilities (Record Collector).
